Did you know.....

For UW-Platteville, the increase in tuition was just over 11% between 2011-12 and 2015-16.

Wisconsin college graduates, In 2017, carried an average debt of \$29,460.

Annual tuition/fees, housing, meals and text book rental was approx. \$14,618 in 2015-16.

We have some of the best and brightest students at PHS. They need and deserve our help to graduate with less debt and with more ability to become contributing community residents, sooner.

Just imagine.....

A community coming together to help its youth!

Our Goal

Platteville is still far behind other communities in providing financial support for post-secondary education for its high school graduates.

We seek donations to the PHS Scholarship Fund to provide significant numbers and levels of scholarships, annually. We are working to build endowments to ensure future funding.

Ultimately, our goal is to provide significant scholarship support to all deserving student applicants pursuing post-secondary education.

What is the PHS Scholarship Fund?

The PHS Scholarship Fund's mission is to expand access to higher education for the students of the Platteville School District.

The Fund fulfills this mission by providing higher education scholarships for Platteville High School graduates to help them fund their post-high school education.

Our PHS Scholarships can only succeed with the continued support of the community. Endowed and individual donations to each class determine the number of Platteville students who are helped each year and the amount that is available to award.

Every dollar counts – our scholarships depend entirely on community support.

Why Your Gift Is Important

The PHS Scholarship Fund is your community organization and is supported solely by generous gifts from individuals, community groups, and businesses. Your generosity, combined with that of others, allows the Fund to significantly impact the lives of our children and future graduates.

Your gift helps provide scholarships to deserving graduating high school seniors. Together, we can make sure all deserving students have the opportunity to pursue their higher education dreams.
